Dear Kerry:

In reference to the illegal use of water in excess of rights for Water Right Nos. 71-534 and 71-535, we wish to report that the matter is being addressed and corrected. Arlan D. Mayer, the current tenant of the property, was contacted by telephone on January 19, 2000 and was asked to take measures to either decrease the amount of acres irrigated or transfer additional water on a temporary basis. Mr. Mayer should be in contact with you discussing these possibilities and correcting the problem. He can be reached at (435) 387-2690.

Please call me if you have any questions.

Sincerely,

M. Colin Barnard
Natural Resources Engineering Technician
